The School Board reserves the right to change the calendar in relation to holiday observance and make-up days (see school board policy). Seven (7) inclement weather days are built into the 2016-17 school calendar. If more than five teaching days are missed, one day will be made up for each two days missed in excess of 5 up to 9 make-up days. Fourteen or more teaching days missed will require subsequent school board action to adjust the school calendar.
